After dinner be entertained by
The Swan Yacht Club's very own
'Crooners'. With an interactive
Karaoke set, you will be able
get up and take part in
the festive spirit.

Book now on 9339 3520

Commodore Report

Hi Members

July/August are very important months for the club. Nominations for the Committee positions open on July 8 and close on the 22nd. The By-Laws covering the elections will be on the notice board near the office and also on the clubs web page. Voting will take place on the night of the Herman's Hermits concert the 14th of August and Saturday Morning the 15th and the AGM will be held on Wednesday the 19th of August. Dennis Nankiville has been appointed the returning officer and we are all grateful for his assistance. As Damien will be away from the 28th of July until the end of August please direct any enquiries concerning the election to either Dennis or Fay Steele in the office. Fay will be the Acting General Manager in Damien's absence.

Please consider putting yourself forward for an eligible position as the club is always in need of quality candidates to fill the available positions. If you want to know what may be involved please contact me for further information on 0407 513245. Please note that you and the people nominating and seconding your nomination must be full financial paid up voting members of the club for your nomination to be accepted.

On a sad note David Varga who has made an exceptional contribution to the Committee and in particular the building committee has recently had to retire for health reasons and the Committee has appointed Stephen Browne to serve in his place for the remainder of his term which expires next year. We thank Dave for his past efforts and tireless work.

Therefore, apart from the Flag Officer Positions which will be up for election for one year this will mean that there will be vacancies for three Committee Members to serve for a two year appointment.

The other important events for your diary are the Herman's Hermits concert on the 14th of August and the Commodores Ball on the 29th of August. Book early to avoid disappointment.

Happy and safe boating

All the best

Kim Wilkie AM
Commodore

General Manager Report

Dear members

As another financial year comes to a close Committee nominations and voting is about to open.

If you feel you have what it takes to make a positive impact with the Swan Yacht Club and are committed to the clubs values and the Committee Charter then you are encouraged to nominate.

Sadly, Dave Varga has had to resign from Committee duties due to ill health. Dave made an outstanding contribution throughout his tenure, lending support for the balcony works in December 2014 and more recently towards the clubhouse renovations.

The next 12 months promise to be an exciting period for the club with the completion of Jetty 2 works, building works in full swing and all the associated fun and excitement that life at the Swan brings thrown in for good measure.

The club is tracking well in accordance with its 5 Year Plan and we will constantly be referring to it in this next phase, aiming at “Brining life to the river”.

Around the Marina

Repairs and Maintenance

The pile replacement work on the corner of Jetty 3 and 4 is now complete with those affected back in their pens.

Some minor repairs are underway on the slipway railing along with a winch wire replacement.

I would like to thank Damian Middleton from TLC the lifting company for donating the winch wire to the club.

Jetty 2

The second 20 metre section of decking has been removed and the contractors are working towards having the Walcon design decking in place next week.

A new mooring lines system will be introduced for jetty 2 and members affected will incur some costs as a result.

Spills Kits

Spill kits have been added to the jetties in an extra effort to protect the river and surrounding vessels from any fuel or oil related accidents.

Points

Pen licence holders and partners who have failed to meet their Points obligations can expect some correspondence from the club in the coming months.

Every effort has been made to take into consideration members certain circumstances with the club introducing a flexible arrangement for members to earn their points. We have FIFO workers on Skype attending meetings, overseas residents completing their points in a month before heading overseas and shift workers committing their valued time to tasks as directed by administration during weekends and weekdays.

Thank you to those members who took time out to attend the clubs Busy Bee and Power Section events over the 20th and 21st June.

Pen Licence Agreements

Thank you to those members who have provided their Pen Licence agreements on time and with all the required information.

Note: Pen Licence holder's partners in boats are required to be full members and have deposited the \$1000 pen wait list deposit. Those Pen Licence holders who have partners and have not fulfilled this standard requirement will not have their Licence endorsed by the club until compliance is met.

Dinghy Rack

Members are reminded if you have not been allocated a dinghy rack then your dinghy is not permitted to be on the racks and needs to be removed immediately to avoid the club removing it for you at your expense.

Building

As we approach the start date for the refurbishment of the club it is anticipated that a number of members will be inquiring as to what assistance they may be able to provide.

The club is endeavouring to present members with an equal opportunity to provide their services and assist the club.

In order to maintain a level of transparency and equality, the club is utilising a review multi stage process to ensure that the services and products are right for the club and that members are able to provide a level of quality that aligns with the club (and the Architects) vision.

The club strongly encourages you to submit a capability statement in the first instance.

We will then short list from the capability statement and the short listed companies will be given the opportunity to tender on the services.

Please forward the capability statements to manager@swanyachtclub.com.au

I look forward to seeing your detailed, formal capability statement in due course.

Around the club

The club were finalist in the 2015 Clubs WA Awards for Excellence – Community Partnerships Award but missed out to Gosnells.

We did take home a Certificate of Commendation for the role the club has played with its relationships in the community.

Please support club community partners Melville Holden and ThinkinIT when next choosing your vehicle and or IT service provider.

On a sad note our thoughts are with the Hunt family with the passing of Laurie Hunt, long-time member of the club. Laurie will be remembered as always having a smile on his face often sharing his 'one liners' with staff. RIP.

Regards

Damien Gaspar

General Manager

Vice Commodore Report

Dear Members

Thanks to all members who came to the Bogan Bingo, it was great hit.

Also thanks to 40 regular members who attended the busy bee and completed some quality projects.

The next events are as follows

CHRISTMAS in JULY

Join us on Friday 24th July from 7 p.m.

Enjoy live music, Christmas carvery and desert.

Please book on 93393520

HERMAN'S HERMITS

Yes they are the real thing direct from the **UK**

14th August, booking are essential.93393520

COMMODORES BALL

Join Kim and Bernie in the gala Red Carpet affair on the 29th August

This will probably be the last event upstairs before the renovations start.

So join in this prestigious event, you will not be disappointed.

Please book on 93393520

Vice Commodore.

KEVIN BIELBY

Rear Commodore Report

Dear Members

Good news to report this month in that, the new SYC support vessel is progressing nicely with the hull well underway (see photos below). Next step is for the motor and fit out to be started by our good friends Peter Harburn and Chivers Marine, our thanks go out to them for their kindness and support.

Boating Western Australia are also contributing towards our new vessel in the form of a new state of the art Garmin Sounder plus an EPIRB to the value of approximately \$1800.

We the members of the SYC, are truly indebted to all of these good people and along with the contributions made by our very own Angling section and also the Fremantle Swan dragon boat club this project has become a reality! We are very fortunate indeed to be blessed with such support and generosity and our sincere thanks to all those involved!

Members, a timely reminder now that winter is upon us that you check your pen ropes and tackle to avoid problems so please do have a close look and replace or adjust as necessary!

We have had recent issues with the automated jetty gates, with people trying to move them manually! This is not an option as they are a delicate system and don't respond well to force so please be aware of this and advise your family and guests accordingly to not touch them at any time!

Well, it's a new club year now so, let's work all support our beloved SYC and start by getting our points up early and let's make this a great year!

Fair winds and smooth seas

Paul Nicholls

Rear Commodore.

Rear Commodore Power & Angling Report

Dear Members

The winter solstice has passed and the run up to summer is now upon us.

ANGLING SECTION:

- The final competition for the year saw 19 fishers out for the day.
- Two season records were broken.
- The end of season dinner was on the 27th June and a great night had by all. Particularly Tim Burgess who took out first place and Stu Kenyon in second place and yours truly in Third. Please see the angling report for more detail of the other prize winners for the evening.
- Again we thank our sponsors, Compleat Angler, Carrington Tackle, and Black Petes Tackle.
- A new committee was elected by the Angling Section. James Aps will be put forward at the AGM as Angling Captain. The Angling Section looks forward to your support. James is an Avid Angler and has been a full member of the club for 2 years now. He was instrumental (amongst others) in securing sponsorship for the Angling Intra Club Competition. James will make a great captain and has the support of the Angling section.
- The Angling Section made some changes to the Rules for the New Year. Some new fish were added to the bonus species list and some of the bonus weights were changed slightly.

POWER SECTION:

- The last meeting saw an increase in interest for the Power section with more attendees and another new member.
- Des Stanway caused a stir coming in Third Overall in the recent State Heat. He has kindly offered the new member Jason Gray to join Des on his boat to show him how it is done!!
- At the recent Time Trialling meeting the group asked me to welcome anyone who wishes to experience Time Trialling first hand to join them on their next event. You would be welcomed to come aboard an experienced Triallers boat to see how it all works first hand. Please contact Phil Jackson via the office who will assist.
- Some of the many positives of Time Trialling include;
 - To get involved in this challenging inter club competition, with a few good laughs with a great bunch of members.
 - A great way to keep your prized vessel in great running condition over the winter months.
 - Some fun social events with other clubs.
 - Learning more about control of your vessel.
 - Water based points events for all participants and check point operators
- Remember that Power Section meetings are on the 4th Wednesday of the month at 7.30 in the Ward Room.
“LOOK FORWARD TO CATCHING UP DOWN AT THE CLUB.”

Best regards

Ian Harwood

Ladies Auxiliary Report

Hi Members,

It's that time of the year again for voting in new committee members, so thought I'd keep you up to date with the Ladies Committee.

I can't believe its 10 yrs. since Graham Crofts as the Commodore approached me and asked if I would take on the job of reinventing a Ladies Auxiliary. I was still working, and Don had not long recovered from his first round with Cancer. Because of my respect for Graham and the club I decided to take it on for 1yr. Our first meeting was 3/08/05 and Present were G. Crofts (Commodore) Myself (President), Sue Jackson, Sue Higgs, Kris Poynton (Secretary), Yvonne Kramer (Treasurer), Kerry Ormsby (Vice President), Betty Dimario and Val Batterman.

We started off without many guidelines and I might say without the blessing of a lot of people in the club, who even then thought it was unnecessary and were not prepared to give us much support. Well we proved them wrong and over the years our Ladies Auxiliary (now Ladies Committee) has evolved, I believe into an integral part of the club....There are two remaining from the original committee and that's Sue Higgs (who went to live in Mandurah for a few years, and then came back three years ago) and myself.

Over the years we organised ladies lunches, Melbourne Cup, Biggest Morning Tea, helped out with Anzac Day (started doing the Anzac biscuits, which are now a tradition) Opening Day (we used to hostess on the boats) The Commodore's Ball, (we do so much behind the scenes) and wherever else we thought we could help.

Other Ladies have come and gone..Like Menga from the Dragon Boats, who was such a colourful character. Kerry Ormsby took over as President for a year in 2011 and did a great job, but with her business commitments it was too much. Mike Williams asked if I would come back and help out and I'm still here. We have had some amazing Ladies Lunches with guest speakers who were either fantastic or slightly boring. We had Zumba dancers, Lawyers with legal advice, plastic surgeons, beauty therapists, comediennes and reformed drug addicts with amazing stories. We've had fashion parades at Christmas, and helped out at the kids Christmas party, even dressing as Santa's Elves. (Hmmm)

Now as we move into another era within the club with renovations starting in August, we have a very strong working Ladies Committee in Sue Higgs, (member on and off over 10yrs) Barb Jeffrey, (5yrs) Lynette Jenkins, (3yrs) Sandy Smith(2yrs) and Elizabeth Allen (4yrs) We have two new members... Robyn Wright, whose Mum and Dad, Ken and Betty Kennedy belonged to the club 40yrs ago and owned the boat "Kaliopi". (Which later belonged to Liz and Graeme)

Allen). Robyn has many happy memories of the SYC and going to Garden Island and Rotto, helping when Kaliopi was on the slips, and then her own kids growing up around the club. She says she feels very lucky to now be part of our Ladies Committee. Our other new member is Olwen Parry, who works at the Leeuwin Barracks and recently moved to Bicton. She had attended as a social member several functions, and was at last year's Ladies Christmas Lunch and Fashion Parade with a group of friends (In her own words it was a fantastic function enjoyed by all of them) and decided she would like to be part of our committee. So welcome to Robyn and Olwen.

Both these Ladies, and those already on the committee are workers, and I know they will be an asset to the club....

Coming up on the 24th July is The Karaoke Christmas in July...come along and enjoy Christmas Fare and Fun whilst enjoying the Karaoke singers..and join in if you like to sing. You don't have to be a great singer, it's a

chance to get up and have a go!!! It's always good to book a table in advance. Recently we had the "Bogan Bingo" and nearly cancelled it because of only 26 bookings 3 days prior to the show, but ended up with over 100 people. For catering and costs it's always good to have numbers well in advance. Saying that..... Herman's Hermits are here on the 14th August as part of their world tour and it's a public event so if you plan on coming please get in early and book a table.

Last but not least The Commodore's Ball is on the 29th August...It's a "Red Carpet" affair so a chance to Dress up and look Glamorous. Invite your friends and enjoy a fantastic night out. Check SYC Advertising for more info.

Until next month,

Marian Byfield
Ladies Committee

Angling Report

Our '**June Field Day**' was the last for our fishing calendar and it was a battle to the end with all the Top Anglers and Top Boats only separated by a very small margin It was a case of 'shall the best man and boat win'!! We had a few boats go out with everyone giving it their best at a last attempt at winning a prize.

The '**Top Guns**' for the year were - **1st Place - Tim BURGESS, 2nd Place - Stuart KENYON** and **3rd Place - Ian HARWOOD**. These guys took out the top three prizes along with some nice 'cash'. The '**Top Boats**' were - **1st Place - PREDATOR, 2nd Place - OCCI** and **3rd Place - DREAM ON**.

The **DAVE BIRCHENOUGH TROPHY** was won by **Stuart KENYON** with the largest Herring on the day and the **EDDIE LYNCH TROPHY** was won by **Owen BLACKBEARD** with the largest Sand Whiting on the day, both also won \$100 'cash'. A 'Well Done' to all our Club & Season Record Winners and not forgetting young **Harry BRIDGEMAN** who is always out there trying to get that 'big one' 'Well Done' Harry, just keep at it mate!! All our winners shown below.

The '**Angling Section's Dinner & Presentation Night**' was held on Saturday 27th June. It was well attended and a good time was had by all.

A big '**Thank You**' to the **Bar and Galley staff** who made the night very pleasant and enjoyable and **Kayla Page** who assisted with organising the night.

The Angling Section will be starting off our **2015-2016 Season** with our first '**Field Day**' on **Sunday 12th July 2015**. The Angling Section is always looking for new members, especially Ladies & Juniors, so if you think you would like to join the Angling Section, here is the chance to start with the new season, just come along to one of our meeting on the **2nd Wednesday of every month** in the Ward Room at the club at

7.00pm. it is great fun for the whole family and you can win some great prizes too. If you don't have a boat we will try and find you a spot on one of our boats.

Thank you to all those who support our raffles every Thursday night at the club and our sponsors - **Compleat Angler, Black Pete Tackle & Carrington Tackle** who donate prizes for our monthly competitions, your support is greatly appreciated.

Power Section Report

Many of the club members may be nervous about Time Trialling in that it may appear to be somewhat of a mystical dark art. However we hope that the following assists in gaining your attention and if you would like to come and join the Power Section on a time trial, there are plenty of boats who would be happy to take you along to show you the ropes.

Time Trialling Season - May to September

The Time Trialling season begins in May and ends in September. It gives boat owners the opportunity to use their boats during the winter months and socialise with fellow Members. The season starts with the Club Opening Day on a Saturday in May with a short time trial followed by the Sail Past. Time Trials are run on a Saturday afternoon with the first start time at 2.00pm, following the time trial participants are encouraged to join in on one of the boats for a social catch up after events before meeting in the Club for the results at 6pm. The season concludes with a Closing Day event and Prize Night.

What is Time Trialling?

Time Trial Events are similar to road car rallies but instead are on the water. All you have to do is determine your arrival time at each point on a designated course. You do the calculations in advance; run the course in your boat on the day of the time trial with a navigator, a clock and a tachometer or speedometer. It's a sure way to practice navigation and satisfy your competitive nature in a friendly environment. This is not a test of speed - it's a test of accuracy. It doesn't take a special boat or high priced electronics.

The Result?

A better understanding of your boat's performance, increased confidence in your own boating skills, expanded knowledge of the local cruising waters and a lot of new friends you could even come away with a trophy or two to remind you what a great sport Time Trialling is!

Power boaters of every skill level participate regularly

Time Trial Contestants compete in every type of boat - from outboards to cruising yachts.

Enjoy new friends

No matter what kind of Time Trial you enter, rest assured that each offers camaraderie and fellowship. The "stories" you'll share while you wait for the scoring results will rival any fish tale you've heard. The folks you'll meet will share your love of the water and boats. And you'll have a chance to visit various Yacht Clubs on the river and coast.

Summer Social Season - November to May

The Summer Calendar gives all power yacht owners the opportunity to participate in Club activities providing enjoyable boat experiences for all.

The events help members improve their boating confidence by learning from more seasoned members and it is also a great way to meet other boat owners or to strengthen current friendships.

Past events have included twilight cruises, raft ups, Garden Island day trips, Rockingham, Mandurah, Hillary's and weekend get a ways.

your business IT specialists

www.thinkinit.com.au

Back in 2004 a large hole in the marketplace was discovered by the founder of **Thinkin' IT**, that was leaving small and medium enterprise businesses throughout Western Australia with unreliable, overcharged, and unresponsive support for their IT services.

Since then **Thinkin' IT** has grown to become a well-known IT service provider throughout Western Australia. We are responsible for clients across a wide range of industries from large scale construction on some of Western Australia's biggest projects, to multi-store retail outlets, insurance, medical, hospitality and manufacturing just to name a few.

Some of our services include and are not limited to:

- Business IT Support
- Full Security Audits
- Fully Managed IT Support
- Offsite Backup
- Remote Site Support
- Hardware Sales

When your IT services and system work, then your business works. 3 simple key factors to how we conduct ourselves is what makes **Thinkin' IT** different. They are:

- >> Evaluate
- >> Implement
- >> Manage

Exclusive SYC Members Special Full systems IT Audit Free of charge.

Our system audit will go through all aspects of your current IT network and evaluate how you can make your business run more effectively & efficiently to suit your needs.

Thinkin' IT has been awarded as one of Australia's top 50 fastest growing IT companies 2 years running.
